CAR AND TRUCK TIRE RINGS®

Model CT01 9.25 Millimeter width (shown on left)
 Model CT02 10.5 Millimeter width (shown on right)

Inspired by the beautiful machines all around us, the Tire Ring® marries the appeal of motor sports, innovation and wearable classical jewelry forms. The treads themselves are designed to be representations of style types but not specific brands or models

Jewelry for the Enthusiast

TIRE RINGS®

Distinct design and careful craftsmanship are the mainstays of my work. There is a passion for riding, racing motorcycles, mountain biking, autos and dirt bikes. For many who have these interests it is a serious enthusiasm, not just a passing trend. The Tire Rings® are created with that same level of devotion through design, originality, and quality. I translate these passions into *jewelry for the enthusiast.*
